SOC Graduates Committed to Prayer and Ministry

In 2 Corinthians 11:2-4, the Apostle Paul told the Corinthian church that they must be totally committed to Christ so they would not be deceived by false doctrine. I believe the purpose of preaching the Gospel to every man is to present a Church full of God at the end of time. By continuing to work and train through the School of Christ here in Bolivia, I believe that this is God's way of allowing us to be the instrument that equips and prepares the Bride for the encounter with the King of kings.

The Lord opened the doors for us to work in this country in 2009. We have been working constantly and growing the work of God here in Bolivia. We praise the Lord for an effective tool like the School of Christ to work with. Ninety-five percent of the pastors, when confronted with the word "The Right Priority," begin to restore their prayer life and dedicate themselves fully to full-time ministry. Once their life is set in proper order, they begin

to witness the fruits of their ministry as God sends the increase.

We are expanding the work of SOC into the area called the highlands. We are training pastors and leaders in these communities where the predominant language is the Aymara dialect. Pastor Arturo Casas is doing an excellent job graduating students in Santa Cruz and the Markiribi area of the Altiplano. I ask for your prayers so God's work can continue in this beautiful country of Bolivia.

Powerful Presence of Holy Spirit in Russian SOC by Yakov Demanchuk

The School of Christ International continues to train pastors and workers in Russia. We currently have thirty students being taught. We have experienced the powerful presence of the Holy Spirit from the first lesson, and there have been lots of tears and repentance. We are praying for revival and I feel in my spirit that it is coming soon, and we will see many come into the Kingdom of God. With the current events happening in our nation, there is a need for a genuine relationship with God more and more. I am encouraged and strengthened because of the move of God we have felt.

Thank you, SOC staff and supporters, for supplying us with the needed material to train workers to carry the Gospel to hungry people here in Russia. We will continue to work and teach until the Lord comes. In February, former SOC graduates and workers will come together for fasting and prayer. Our prayer is that God bless the ministry of the School of Christ and thank you for your continued support.

Mission Message

by **Brian Larsen, President**

“OPEN DOORS IN THE USA”

*Brian Larsen
SOC President*

God has afforded us the honor and privilege to establish new contacts with many Pastors and Churches throughout the U.S.A. this year. One of these choice contacts is several Pastors affiliated with Living Word Of Faith Fellowship, which is based out of Panama City, Florida, and has over two hundred affiliate Churches. We first began our wonderful relationship with this Fellowship when the Vice President (Pastor Preston Haddock)

contacted us and asked that we minister lessons of the SOC in a Ministers Conference which was hosted by Springfield Community Church and its Senior Pastor, Brother Eddie Pitts. Eagerly we accepted the invitation, and in late July were able to be a part of a week full of the presence and moving of the Spirit of God! The theme was “Restoring the Message of Pentecost”, and truly we experienced God dealing with the lives of nearly 40 ministers, challenging them to put down the desires of the flesh and allow the Holy Spirit to make them the vessel thru which Pentecost can come once more! Pastor Preston testified during the Conference, that the conviction of the Holy Spirit in the lessons of the SOC was so strong, that it felt like you had to make an altar and get saved all over again after every lesson! This was a common testimony among the majority who attended the 5 days of the conference! We give God all the praise

and glory for what He did in the lives of all present, and what He will do as a result of the commitments made at the altar! Both Pastor Preston and Pastor Eddie expressed their gratitude for the SOC and the change the teachings had made in their lives during that short week. Such a friendship and relationship with this Fellowship has been established that we are already scheduling future dates to minister in more of the affiliate Churches.

We want to also recognize and express our gratitude for the lives of Pastor Eddie and his wife Sister Kenetha Pitts, who demonstrated the wonderful love of Christ in hosting us along with the entire congregation of Springfield Community Church in Florida! We felt the love of God as they not only hosted our staff, but also other ministers who were provided with accommodations to stay during the week. The Church also provided lunch every day of the conference, which was such a blessing as we would leave the morning lessons to go straight into a time of fellowship with the brothers and sisters in attendance.

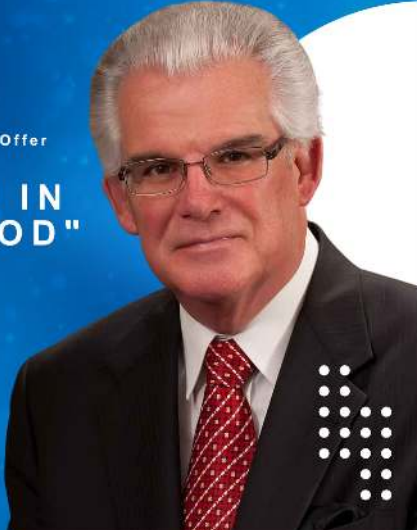

We were truly humbled and blessed to have been given such a wonderful opportunity to minister, and are looking forward to all that God is going to do through our contact and friendship with Living Word Of Faith Fellowship!
