SOC President

The School of Christ International has continued to be vigilant in fulfilling Christ's mandate of reaching the world with the Gospel! Although we were met with various challenges throughout the year, we were encouraged with the effectual doors of ministry that were opened. We have experienced not only new relationships being established for the furtherance of the Kingdom, but we have also been privileged to reach countries that had once received the SOC but were inactive for some time. The Lord has opened the doors for such countries as India, Vietnam and Bulgaria in particular. We have not only witnessed the need of the SOC in these countries, but we have been able to be a part of God's continued work of Restoring and Maintaining the message of Pentecost in the local ministries.

As we have entered a new year, our prayer and desire are for God to find in us becoming vessels meet for the Masters use. We have truly witnessed fields ripe for the harvest, and a great need for laborers to work in the fields. We know the Day of the Lord is at hand, and the culmination of the end times is happening before our very eyes. With this reality, we carry within our hearts the need to preach the Gospel to every creature and help strengthen the local Church to be an active participant in the revival that is on the horizon. The founder of the SOC, Brother B.H. Clendennen (1922-2009) once wrote that “Christianity reveals, proclaims, announces and thunders, it is not a suggestion, it is a revelation. It is not a puzzle to which a dozen answers may be given; it is an oracle. Truth must be dogmatic, that is, positive, absolute without ambiguity. Truth must be clean in its own conception, clear in its positive demands, clear in its rewards and punishments.” Will we be found faithful in declaring “...his glory among the heathen; his marvelous works among all nations. For great is the LORD, and greatly to be praised: he also is to be feared above all gods.” (1 Chronicles 16:24-25)

I ask that you continue to pray with us for continued discernment and direction. As we face the uncertainty

of our times and the increasing hostility of the devil against all true work of the Lord, we must know exactly where the Lord would have us to go, and what He would have us to do in reaching those who are in need of this effective missions ministry of the SOC.

As always, I am grateful for every one of you, who have partnered with us in this great missions endeavor. Your contributions, whether by going, giving or in prayer, have been invaluable in enabling us to carry out the purpose of God for the SOC. I would also like to present you with the opportunity of continued partnership with us in supporting future schools or sponsoring future students. The eternal possibilities of any investment in the Kingdom is beyond measure. Countless lives have been impacted with the Gospel already through this missions ministry, and we know that multitudes more will be reached as we continue forward with this Heavenly Commission!

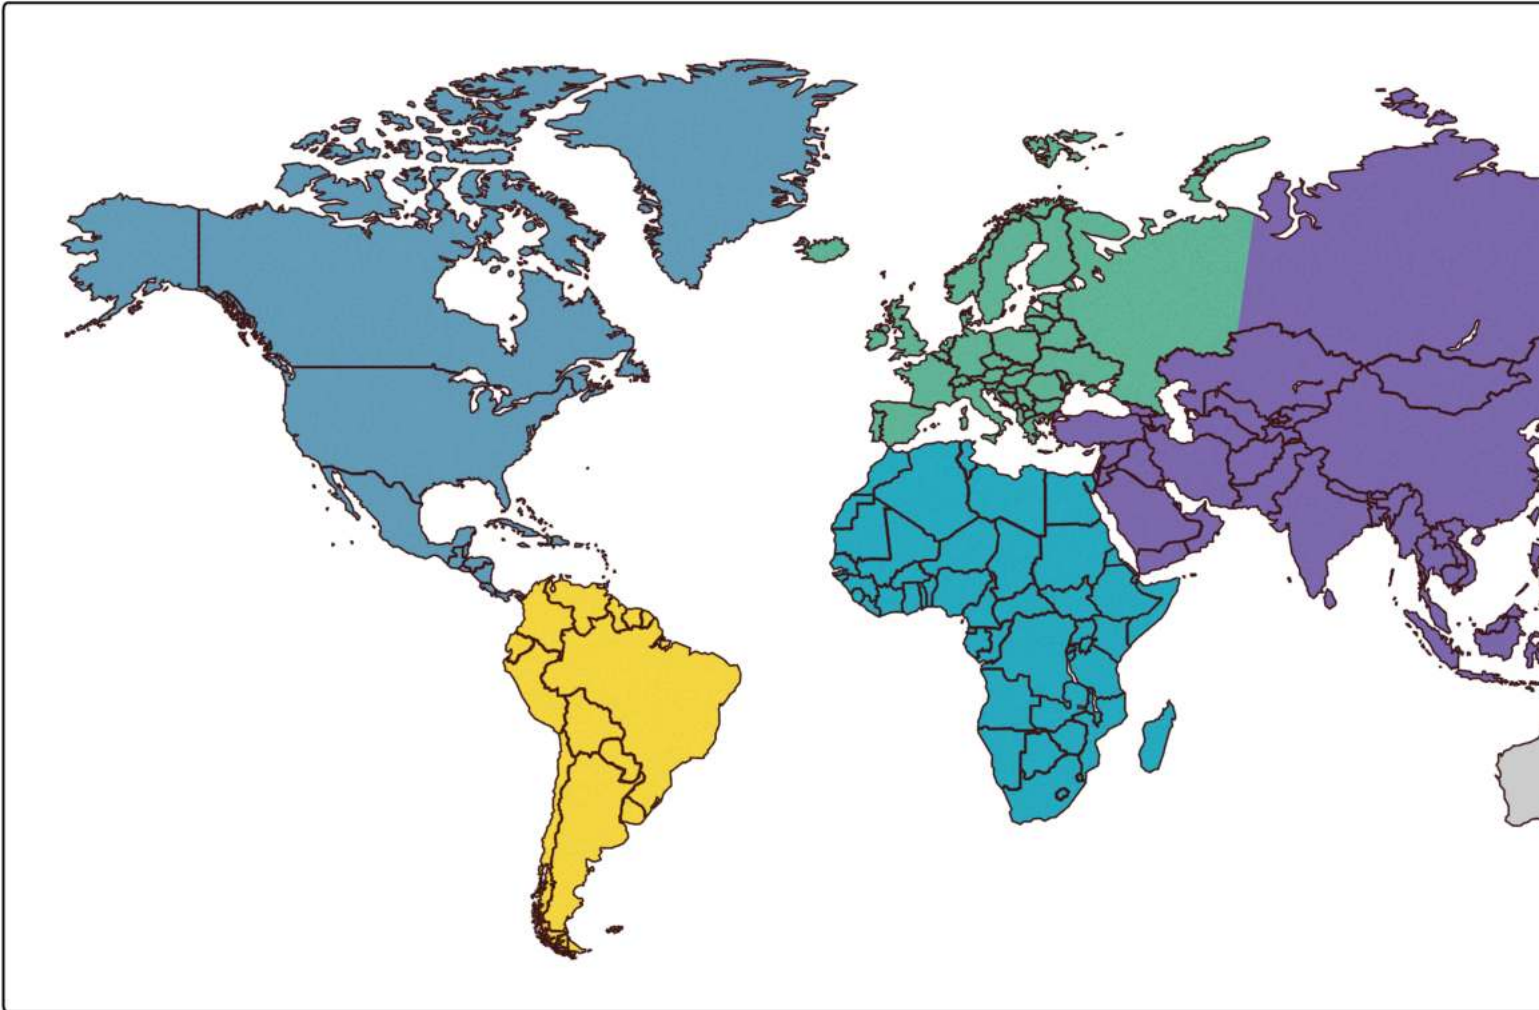

In service to the King of kings and the Lord of lords,

Brian W. Larsen
SOC President
