## **SOC ANGOLA – AFRICA September 2024**

We were extremely blessed to once again be allowed the privilege of teaching the SOC in the country of Angola, with our dear friend and brother, Pastor Gil Capuepue. The Divine connection that the Lord has brought about in our partnership with Pastor Capuepue has proven to be an incredible

source of reaching many pastors, ministers, leaders and churches with the message of Pentecost. We have witnessed a great need for true, sound doctrine in the country of Angola, as it has also been expressed to us from Pastor Capuepue. The SOC has provided invaluable training and encouragement to those who feel this burden of reaching their generation with the Gospel.

Our trip in September of 2024 consisted of two weeks of teaching the first part of the SOC in Pastor Capuepue’s main congregation. In recent years, the Lord has expanded the ministry that Pastor Capuepue has been called to oversee and has placed four congregations under his supervision. We had the opportunity to teach and preach in two of these congregations where we encountered a real hunger and

thirst for the Truth of the Word of God. In Pastor Capuepue’s own words,

*“The School of Christ was well received with great interest and dedication from the participants. Many souls accepted Jesus as Lord and Savior, and others were led to repentance and change of life, transformation, restoration, and strengthening of the Christian faith.”*

Also, we were honored to have had one of the pioneers of the Angolan Pentecostal Church attend every day of the SOC. Pastor Nelito,

as he is known, became very interested in the SOC when he first contacted Pastor Capuepue and was informed of the classes we would be holding. As he attended every class, he testified of times of brokenness at the altar, and a desire for the entire Church in Angola to return to the Message of Pentecost!

We praise God for the lives of such men as Pastor Gil Capuepue and Pastor Nelito, who refuse to compromise with the world and modern religion. They have chosen to stand up and proclaim the Truth in their generation! Please continue to pray for the work in Angola as we have already scheduled our future dates for the SOC should the Lord tarry until then. To God be the Glory!

## **SOC NICARAGUA REPORT** **November 2024**

2 Timothy 4:1-3

I charge thee therefore before God, and the Lord Jesus Christ, who shall judge the quick and the dead at his appearing and his kingdom; Preach the word; be instant in season, out of season; reprove, rebuke, exhort with all longsuffering and doctrine. For the time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers, having itching ears;

These were words of encouragement for Timothy and at the same time a very clear ordinance by the apostle Paul, about the need to prevail in the work of preaching the Gospel. Following this mandate from the Word of God; the Church in Nicaragua continues to be empowered by this gospel of Pentecost. By the grace of the Lord, which works in us, this work has been unstoppable since 2007 until today!

It is not time for religious games, it is time to get up and focus on preparing the Bride; we must take advantage of the opportunity that Heaven is giving us. Both in the Pacific and the Caribbean regions of Nicaragua, the School of Christ

remains active in the preparation of disciples who go out empowered to reap the harvest for the Lord.

Recently on the Caribbean coast, we held an in-house School of Christ with 22 pastors and evangelists of different denominations. These ministers came from distant communities by boat, and walking for many hours to be a part of the SOC. There was glorious encounter with the great Teacher, the Holy Spirit. It is wonderful to see that the faces of the students who enter the SOC are not the same faces when they leave. They leave full of joy as a result of the filling of the Holy Spirit.

I want to share a testimony of one of our students. Pastor Florencio Coleman, who is a pastor from the Church of God, and a man with a very outstanding

academic and theological preparation. This pastor arrived at our SOC in Waspan Rio Coco. He was very sick with a sore on his right leg, and he could barely walk because of so much pain. Despite this health battle, he stayed until the end. He said, "I went to university to prepare myself in both science and theology, I thought I knew the Word, but now I realize how far I was from knowing It. I can say that I have had a true encounter with the God of Scripture. I found myself confronted about the passive and

handicapped state of my spiritual life, with which I have been ministering to the Church. Each lesson for me, was a penetrating chisel chipping away in my heart. My heart was full of unforgiveness, and even in that state, I wanted to receive healing for the sore on my foot. However, it was not until the light shined on me, that I realized my need for repentance and now I can move my leg; God healed me!

Hallelujah!" These are testimonies which seal the message that we preach and teach by the Spirit.

These SOC's require 1200 kilometers (750 miles) of travel and being there for 3 weeks. Sometimes, living in conditions like the natives of the place. For this reason, I thank my team led by Pastor Joseph Grover Mayorga who

make a tremendous sacrifice to reach those most in need.

Thank you for being part of this adventure of faith that began with Pastor Clendennen and will continue with each one of us until Christ returns for his Church.
