SOC PERU REPORT

BY DELVIS MERCADO - SOC FIELD WORKER

God continues to work in Peru. This January, we celebrated with great joy the second graduation from the School of Christ in Peru, where 20 students completed their ministerial training. Their testimonies are striking: God has transformed their lives and ministries in a powerful way.

One of the most special moments was the inauguration of a new church, led by Pastor Pedro Eugenio Jacobo de la Cruz. After graduating from the School of Christ in September of last year, he resigned his profession and resumed God's call to serve Him full-time as a pastor. He has now started a new church, and I had the privilege of being present at its first service and serving as the preacher. It was wonderful to see how the School of Christ is being a tool that inspires every man of God who opens his heart to hear the word of God.

As I have mentioned, Peru faces many spiritual and social challenges. However, in the midst of these difficulties, God is awakening His church. During the school in Pisco, each day began with prayer, setting the pace for an intense and transformative training. The teaching confronted religiosity and brought freedom and restoration to many hearts.

The manifestations of the power of the Glorious Holy Spirit are always seen in the unfolding of each day: healings, miracles, baptisms in the Holy Spirit; it is truly wonderful to see my Lord confirming in this way what we teach.

The impact of this school has been so great that we are already organizing the next one in the coming months. We have also received requests from pastors in the city of Chincha to bring the training to that beautiful city.

We are deeply grateful to each person who has supported us in prayer and financially. Your support is key to the continued advancement of this work. Let us continue interceding so that God continues to open doors and equip His church in Peru.

COMING SOON 2025 SOC SUMMIT

BY BRIAN W. LARSEN - SOC PRESIDENT

I am excited with great anticipation to extend this invitation to you for the “2025 SOC Summit”.

This year, our focus will be on The Holy Spirit and Revival series from the School of Christ International (SOC) curriculum. The lessons of the SOC, since its beginning in 1992 through the life and ministry of Brother B.H. Clendennen, continue to impact lives around the world today. They are rooted in Biblical truths and are revealed to the believer by the power of the Holy Spirit. They ignite revival, produce spiritual growth, and equip the forged vessel to live a life wholly surrendered unto the Lord Jesus Christ.

The SOC Summit will take place from September 24th to September 27th, in the city of Beaumont, TX. We are confident that this meeting will be a life-changing experience, as we come together with believers from across the globe who share the same precious faith and a deep hunger for God and His Kingdom.

The SOC Summit has served as a time of prayer, worship, consecration, and the teaching of God’s Word. It is more than just an event—it is a divine appointment orchestrated by God..

We encourage you to reserve your place as early as possible to ensure your participation in this year’s SOC Summit.

For more information or to secure your place, please contact our SOC home office at (409-504-6601). We are more than happy to assist you with any inquiries you may have.

This is a unique opportunity to come apart and draw near unto the Lord in a profound way. We are for sure living in the last days, and it is crucial that we are a prepared laborer to reap the harvest that the Bible says “...is truly plenteous...”, and have our lamps filled with oil ready for the return of Christ. We look forward to welcoming you to the 2025 SOC Summit. May God bless you!
